Cache and VBIEDs Discovered south of Risalah 2 December 06

In a neighborhood of southern Baghdad, just south of Risalah, a CF platoon was conducting a mounted patrol to disrupt AIF and prevent sectarian violence.

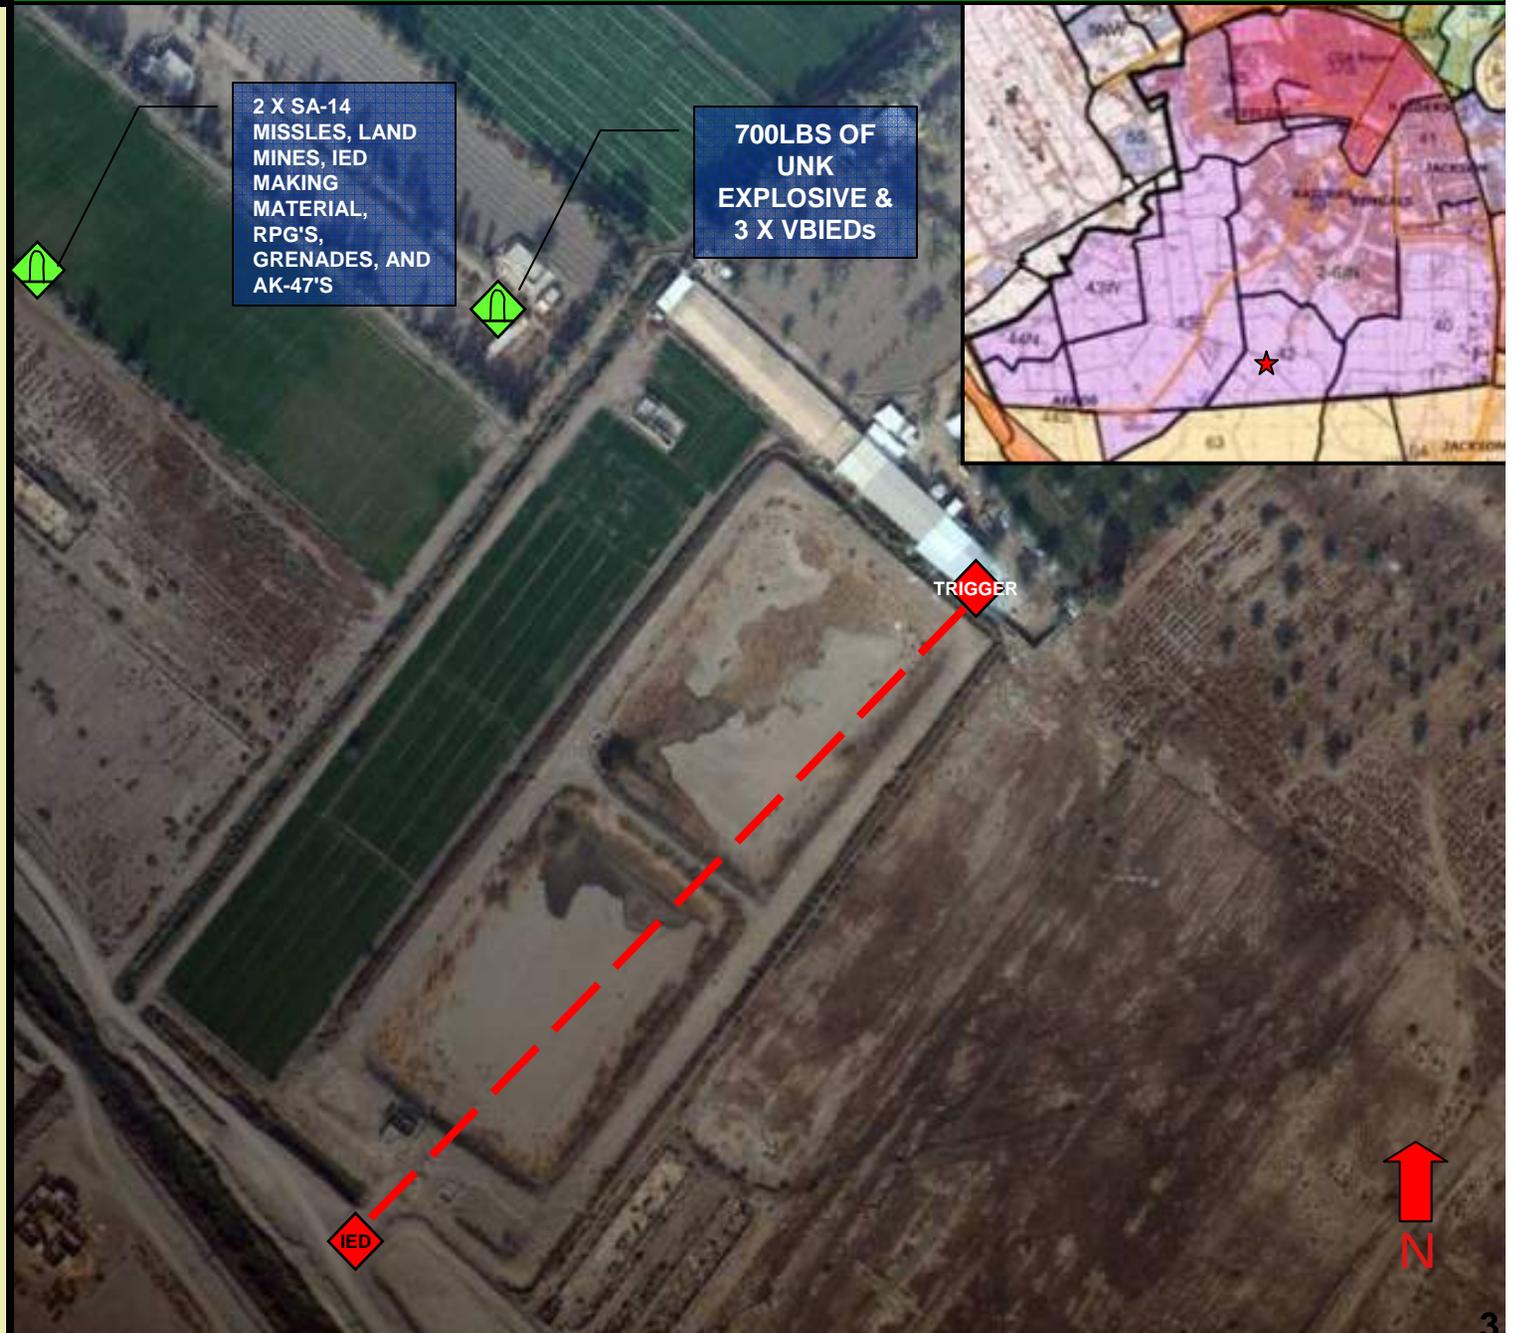

The lead vehicle of the patrol was struck by a command detonated IED causing no injuries.

After conducting a local area search, the platoon discovered a cache just northwest of the trigger point consisting of 3 VBIEDs and 700 pounds of explosives along with RPGs, mines grenades and small arms.

After further searches near the cache sight, CF discovered a false wall in a building with another large cache including 2x SA-14 Surface to Air missiles.

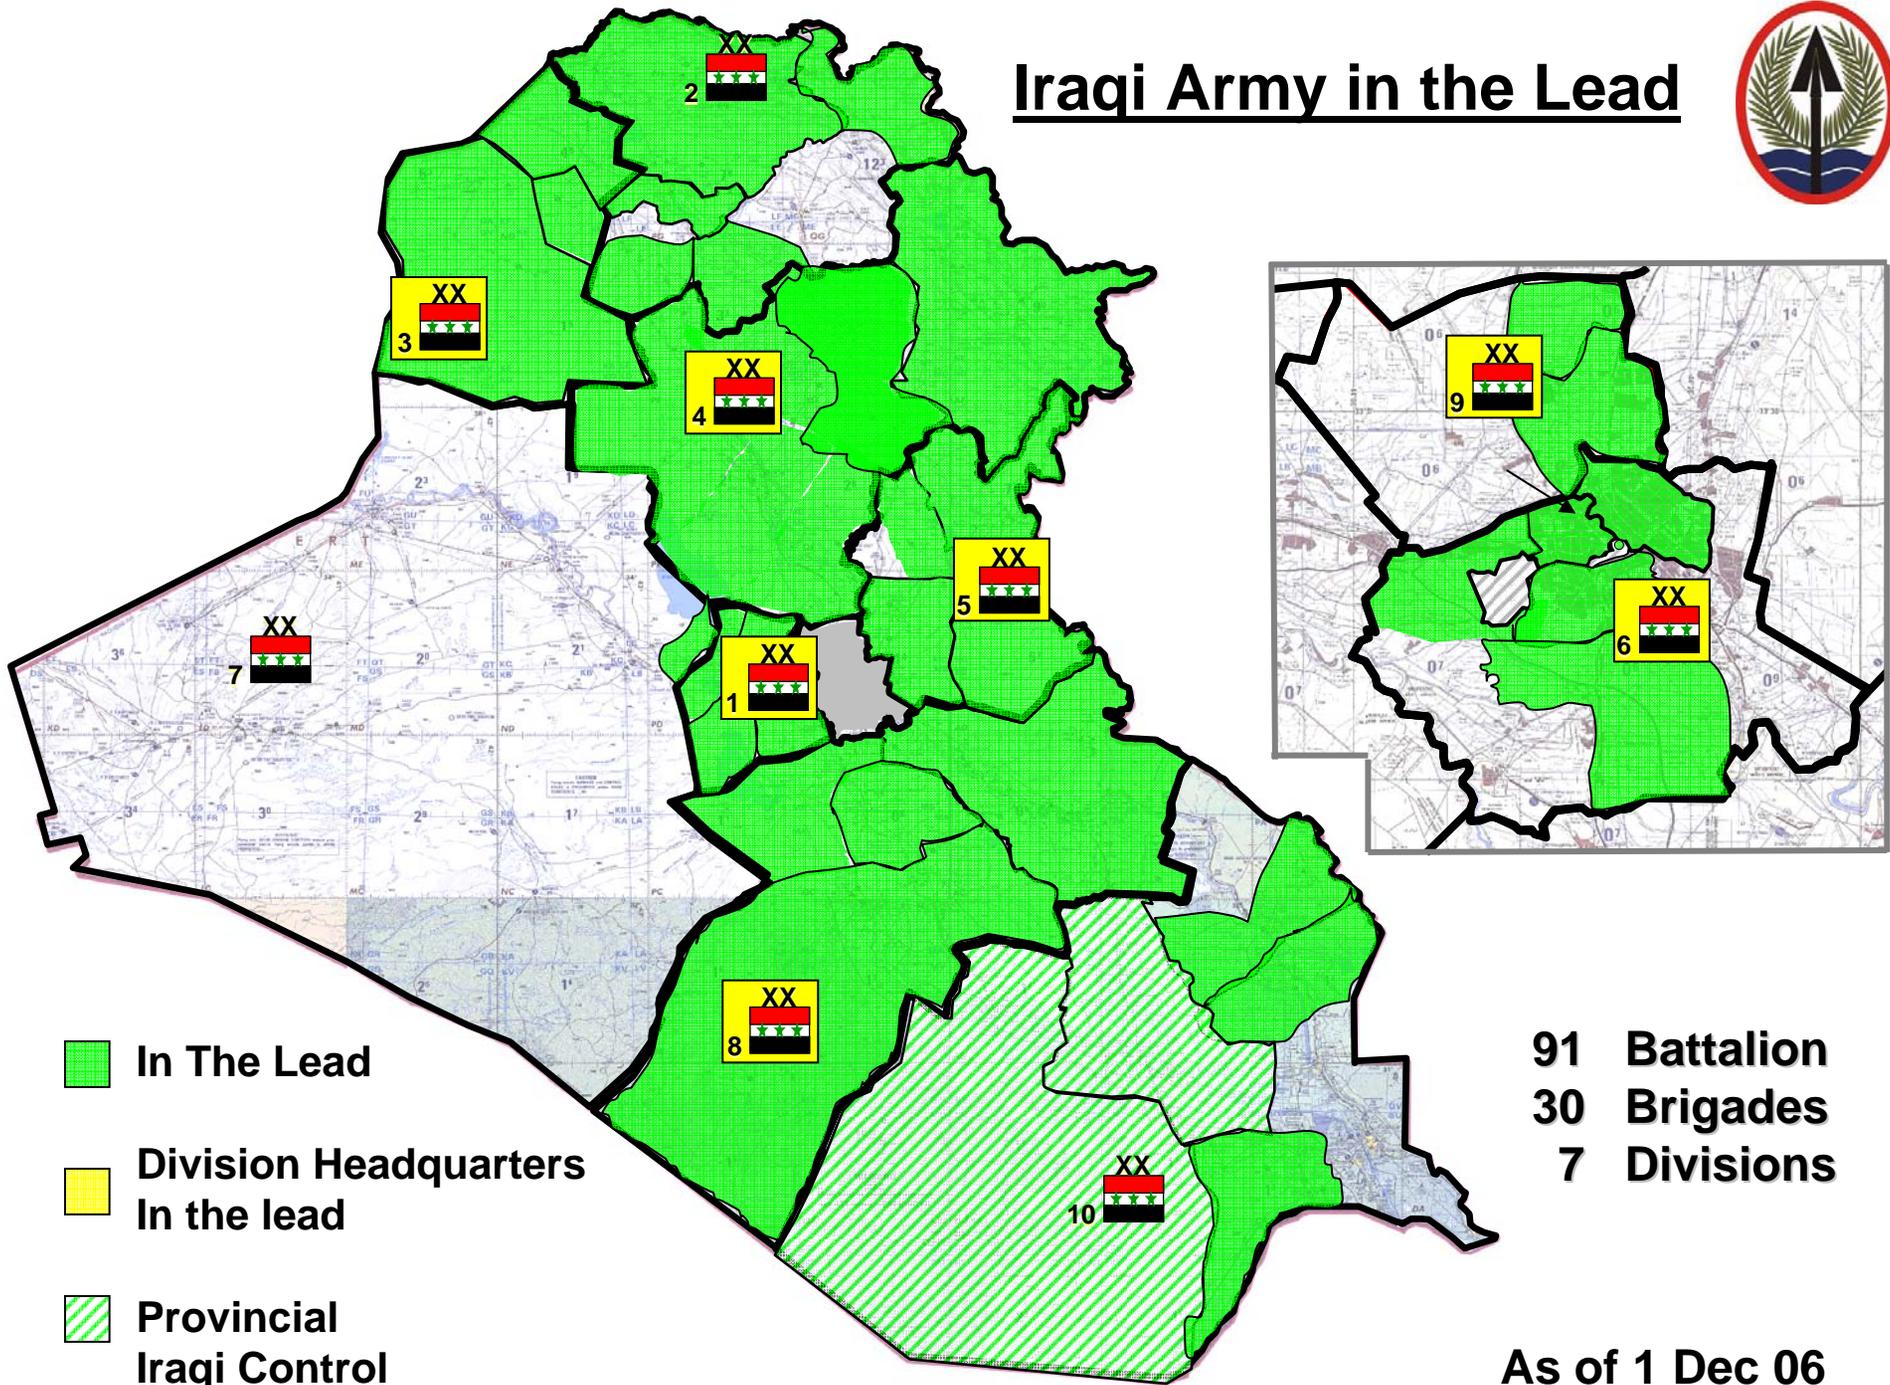

Total Findings:

3 X VBIEDs
2 X SA-14
700 LBS UNK EXPLOSIVES
LAND MINES
RPGs / AK-47s / GRENADES
IED MAKING MATERIAL
