

After action report: 11-3-2007

We thank and we pray and ask peace for his Prophet Imam all Mujahedeen's

We have captured and killed the apostate Qayes Al Fetel Hamdan Surami Al Faraji (TC: Name sounds like - penmanship of this writer is very poor). He was 36 years old and lived in the district of Al Hardania. He was an apostate (TC; Shia'at) and worked for the Samarra Emergency Police. We have conducted his interrogations and without the use of any force or punishment, he admitted his guilt. He admitted he worked driving a Chevy pickup for the apostate for the past 2 years and 4 month. We thank God the almighty that we have collected a great deal of information from him. An order was issued to kill him by gun fire. Verse from Quran, and we have taken a BMW and other things from him. We thank God of all creations.
