

In The name of Allah, Most Gracious, Most Merciful

We thank God the Almighty and we ask for peace to be upon most honorable of all creations Muhammad and upon his companions and those who follow them,

My beloved dear, Abu Basir,

I am writing these words of advice to help your mission and work, if God is willing. Based upon the experience I have gained from trials and tribulations on the field of Jihad such as:

1. One of the most dangerous things facing the Islamic State is the other Jihadi squads that are following a false path. Their leadership instigates the laymen against the soldiers and the leadership and also the curriculum of our State, such as:
 - A. Hispanic Army (poss. means Islamic Army)
 - B. 20th Revolution Battalions.
 - C. Islamic Army.
 - D. Conqueror Army.
 - E. Mujahedeen Army
 - F. Ansar Al Sunna' ah (the Legal Body)
2. My brother, the eliminations (TC: Killing) of their leadership has to be done quickly, due to their spreading into other areas with the support of the crusaders.
3. We also need to eliminate the next line of their soldiers, those hypocrites and those under suspicion. I will not mention their names here as I will leave that up to you.
4. Here are some of the names that should be eliminated. I will list them according to their importance
 - A. Illegible (TC: can not understand the hand writing)
 - B. Abu Mustapha. (Abd Al Aziz Al Bu Katea'a) Hispanic Army
 - C. Empty line
 - D. Abu Abd Allah (Hamdai Al Abbasi) Mujahedeen Army.
 - E. The brother of Abu Abd Allah (mentioned above).
 - F. Mullah Maher –District of Al Ishaqi – Ansar Al Mujahedeen Army.
 - G. Abu Belal Al Hourobi- District of Al Ishaqi – Ansar Al Mujahedeen Army.
 - H. Mullah Shawkat, Please check his situation, I have no idea where he stands.

After brother Abu Baker Al Wadi grants permission, you may eliminate those heads (TC: those listed above in #4).

Note: Work on this matter quietly without any chaos, so it will not affect you in any negative way. Please follow my leads before it is too late, even if it costs you your life and you become a martyr.

Your brother,
